

GOD'S PLAN FOR WRITING

1

BRAINSTORM!

Think about what you will write about and what you will say.

Who is your audience?

What will you use to support your ideas?

Use a writing map or outline.

2

ROUGH DRAFT

Write out a rough copy from your plan using sentences and paragraphs.

3

REVISE

Ask God for help, to make your writing better!

Follow His guidance and instructions!

4

PROOFREAD

Did you indent the paragraphs?

Is spelling & grammar correct?

Did you check all capitalization, punctuation, and wording?

Ask God to show you where errors are.

5

PUBLISH

Read your work aloud to someone!

Give God ALL of the Glory and Thank HIM for HIS help!
