He was volleying the tennis ball.

She was straying from God's plan for her life.

It was replaying scenes from the last football game.

We were displaying merchandise for the newest sale.

They were defraying the cost of her tuition.

PAST PERFECT PROGRESSIVE OR CONTINUOUS

PAST - 1 CONTINUOUS EVENT THAT IS INTERRUPTED BY ANOTHER EVENT

They had been straying from the rest of the flock, but the sheep dog gathered them in.

I had been toying with the idea of redoing the basement, when I found it wasn't feasible.

You had been volleying the ball, when the ball was suddenly sent into the stands.

He had been annoying the bear with his barking, when the bear decided to ramble away.

She had been delaying the purchase, when she got a bonus from work that gave her the money to buy it.

The dog had been disobeying by jumping the fence, until they took it to obedience school.

We had been enjoying our walking tour, when suddenly a thunderstorm came up.
