The information given is based on certain milestones that most children reach during fetal development. They are approximate, because each child reaches certain stages at varying times. We used private and governmental medical sources to arrive at our approximations. The Lord Jesus Christ gave HIS okay for those approximations and for the release of this book.

“Life begins with MORE than just a beating heart.

It’s about following God right at the start.

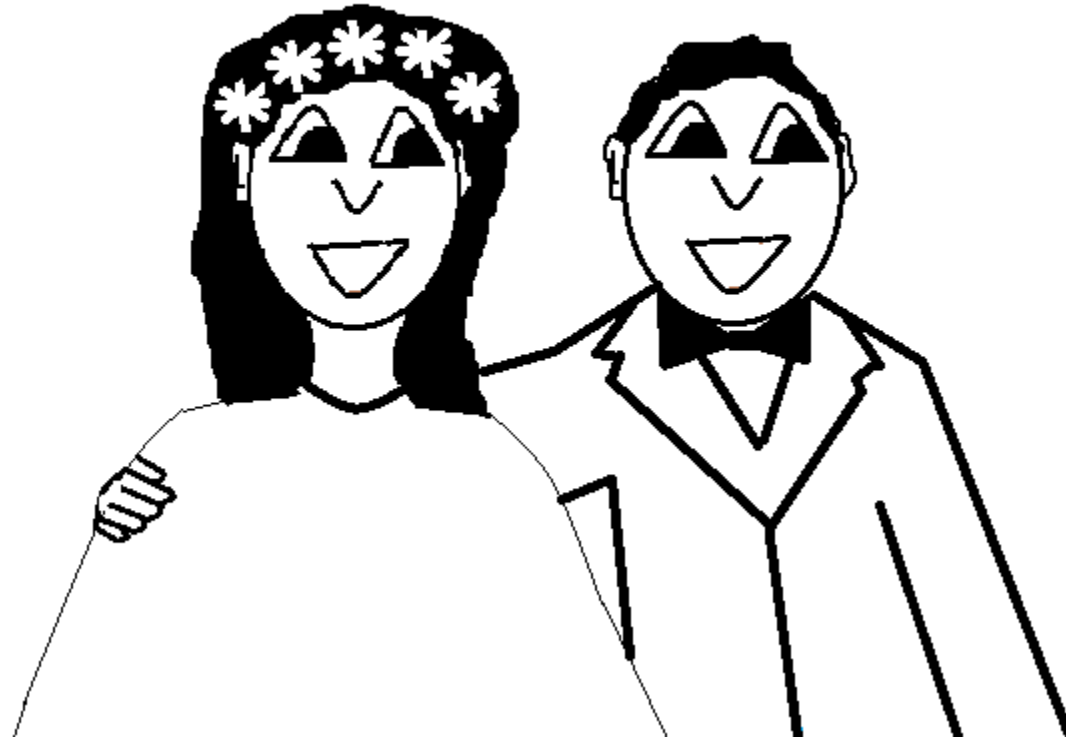

**The Lord Jesus Christ said that HE is “the way, the truth, and the life”
(John 14:6 KJV)...**

and that is where REAL LIFE STARTS by following God's WAYS, HIS TRUTHS, and HIS LIFE."

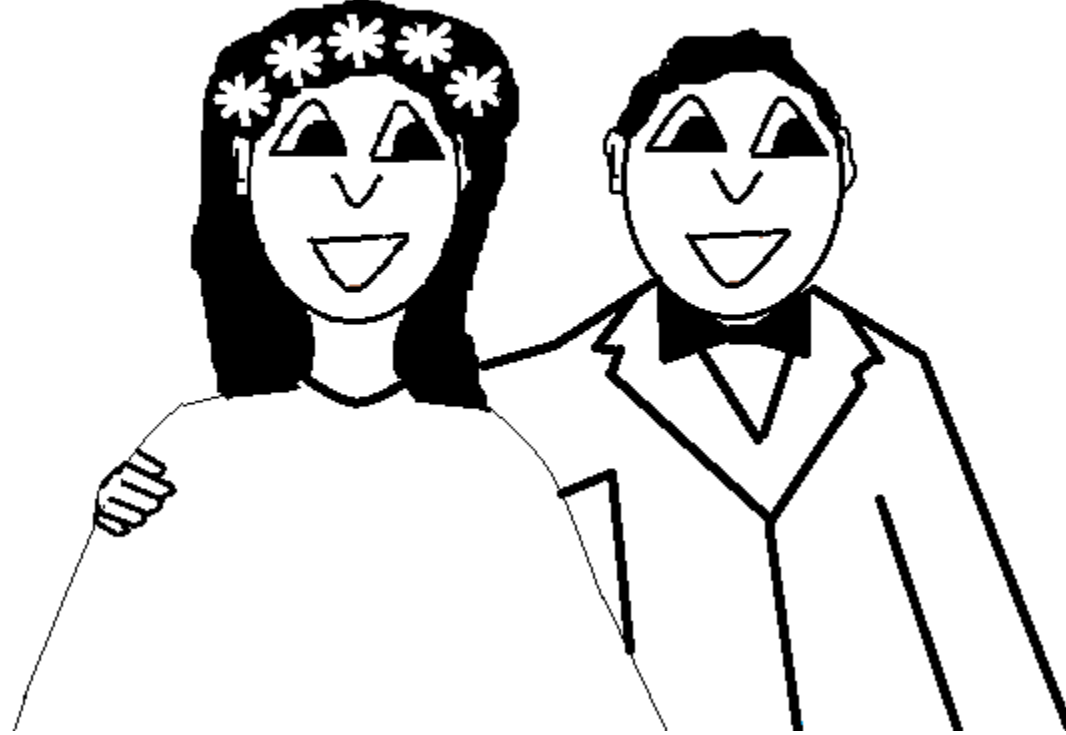

"THAT is what it means to be TOTALLY PRO- LIFE!"

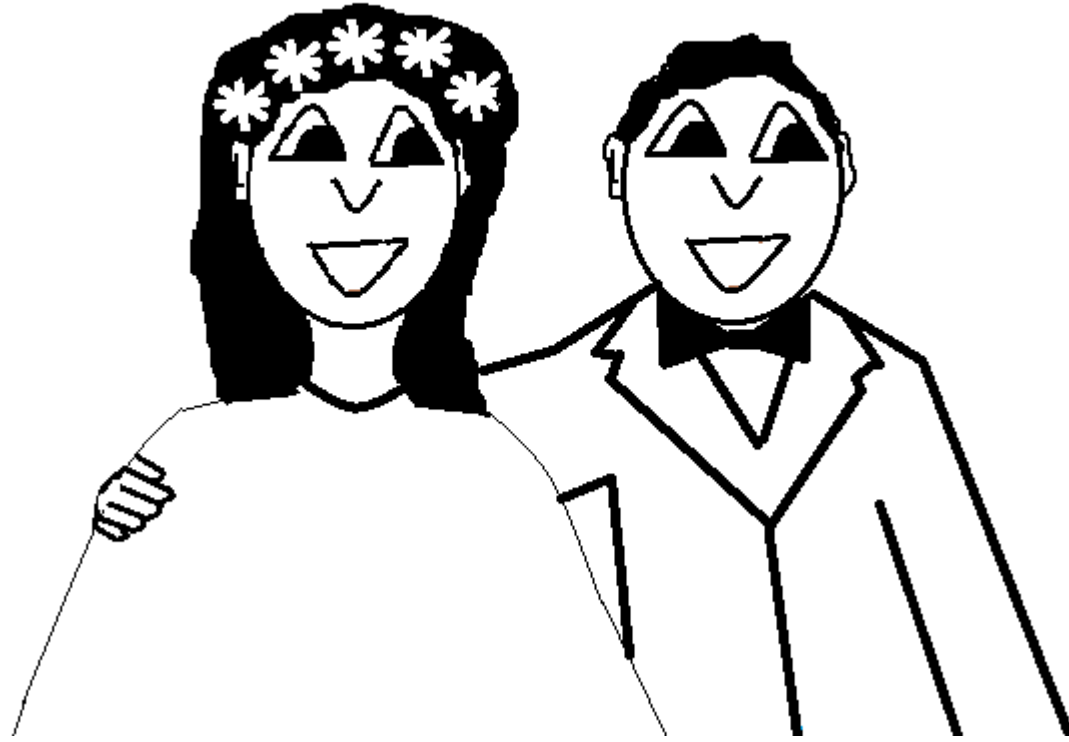

**"God speaks out a baby's calling in the womb.
God said, "I said the words and you were mine.
There is no exception.
You were made so fine!""**

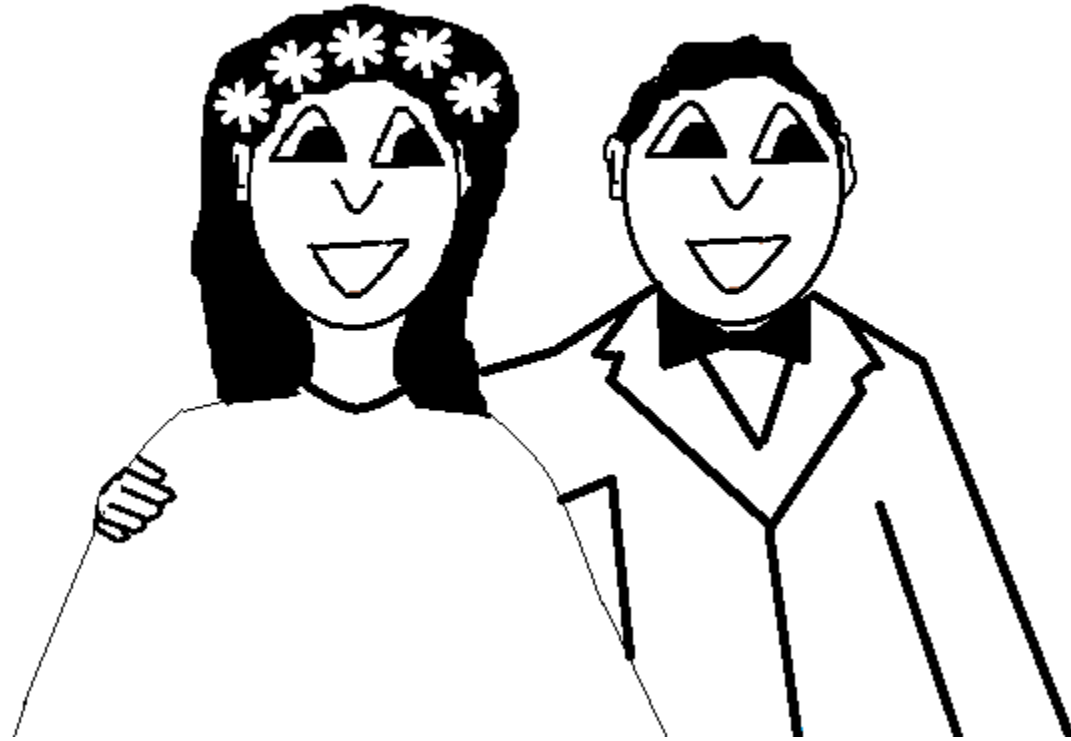

**"Making babies is supposed to happen
ONLY between a husband and wife..."**

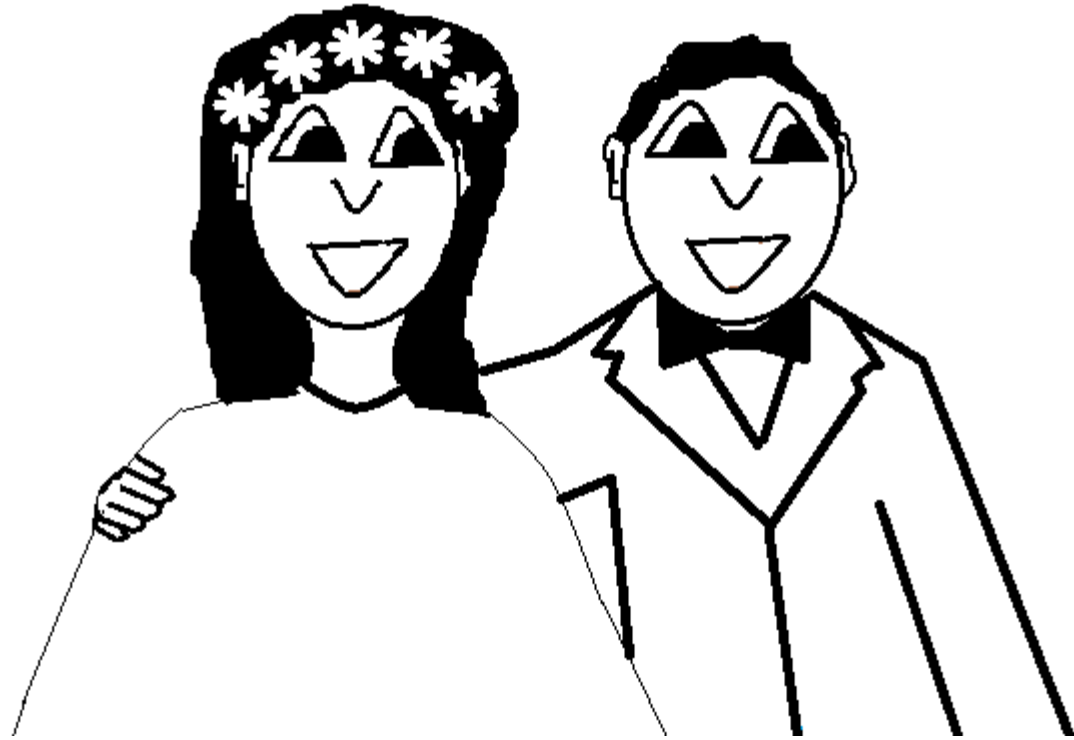

**WITHIN a marriage connection.”
(Genesis 2: 18 - 24, Genesis 1:28)**

“It’s supposed to happen through holiness.”

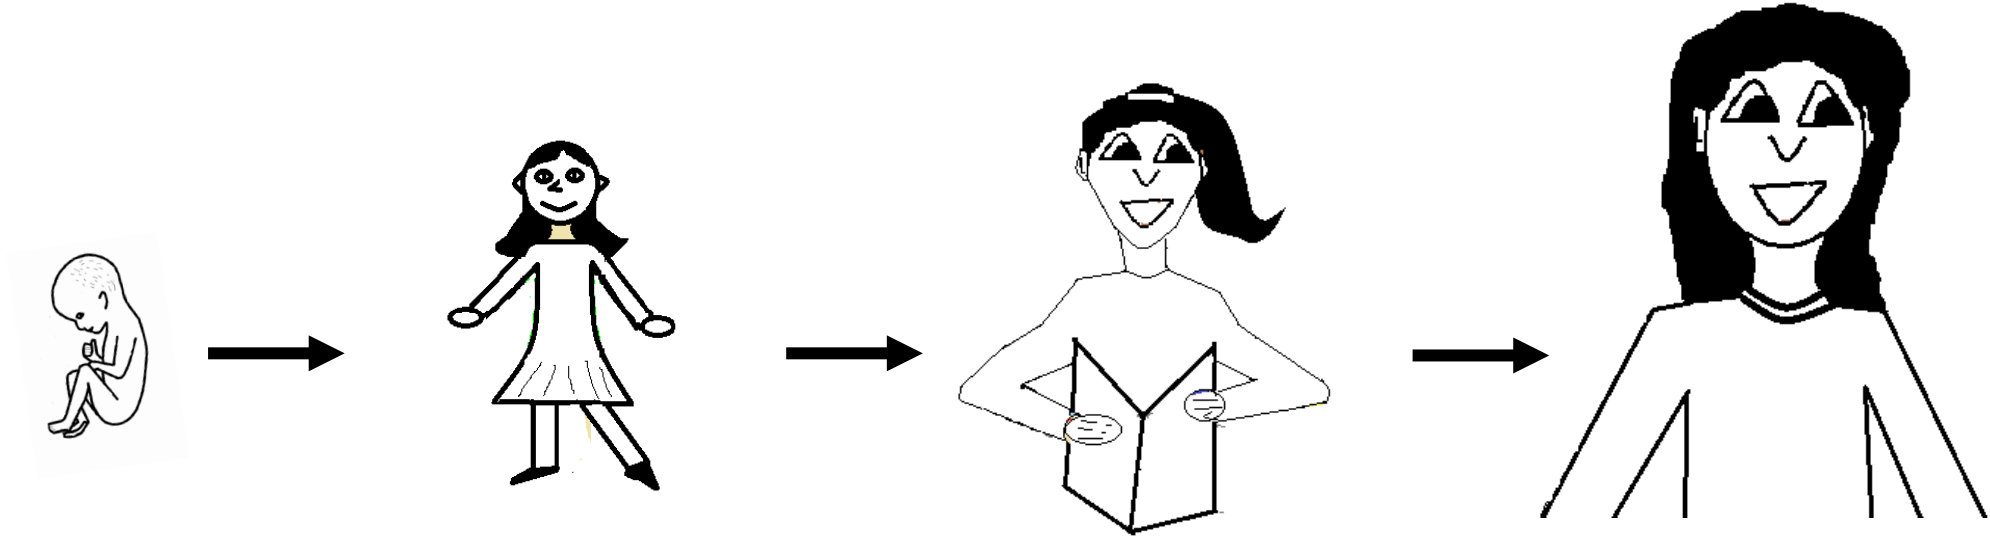

**“It’s supposed to happen through
love...”**

with a person who will **KEEP**
the marriage covenant...

**a person chosen by God
above."**

**“That is because babies are a BIG responsibility.
It takes a lot of money to raise a baby into an adult
and growing children need love and care.
Children need food, shelter, and clothing.
They need someone who will ALWAYS be there.”**

"God said, "AFTER parents make babies, they are to train their children in the ways of the Lord.

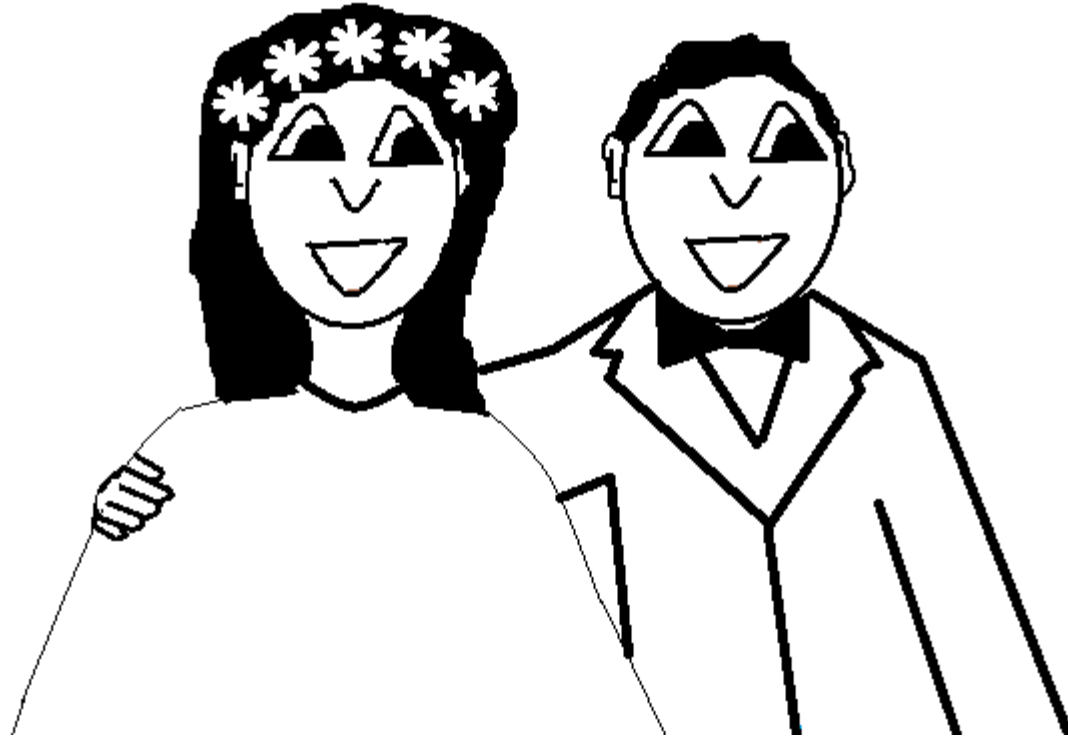

Parents are to teach children the difference between right and wrong according to Father God, Lord Jesus Christ, and the Holy Spirit's rules.

God gave us the Bible to provide those tools.

God doesn't want our lives to be sad.

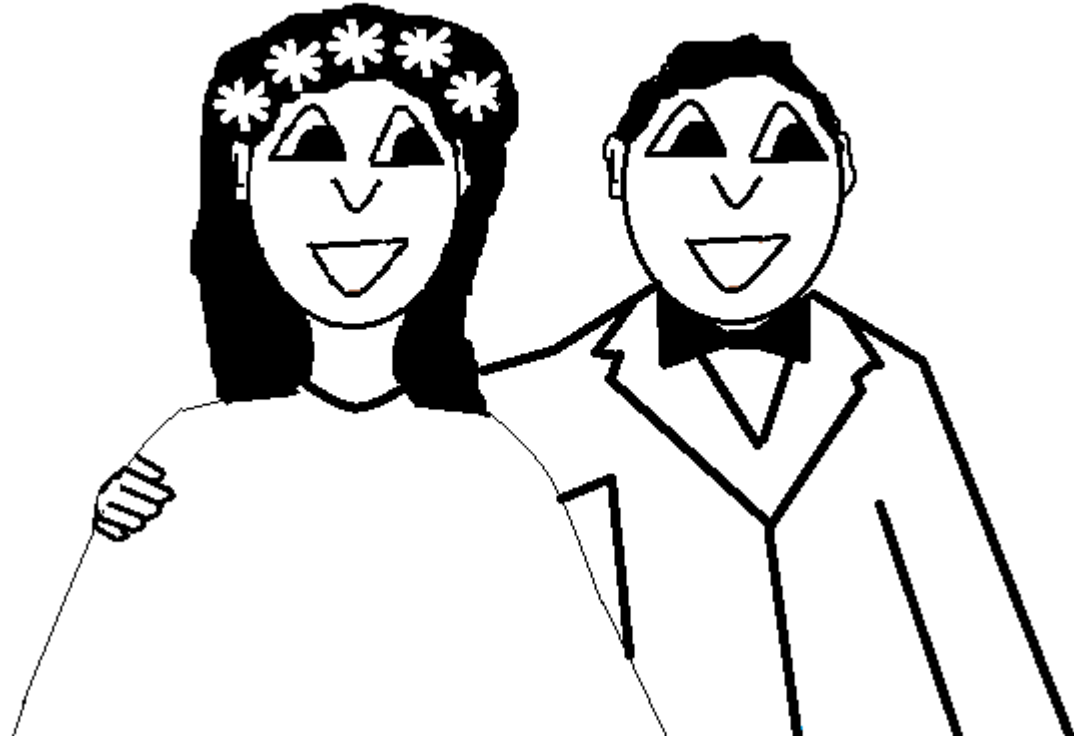

If a person doesn't know what those rules are, then they aren't ready to be a Mom or a Dad."

(Ephesians 6:4 and Proverbs 22:6)

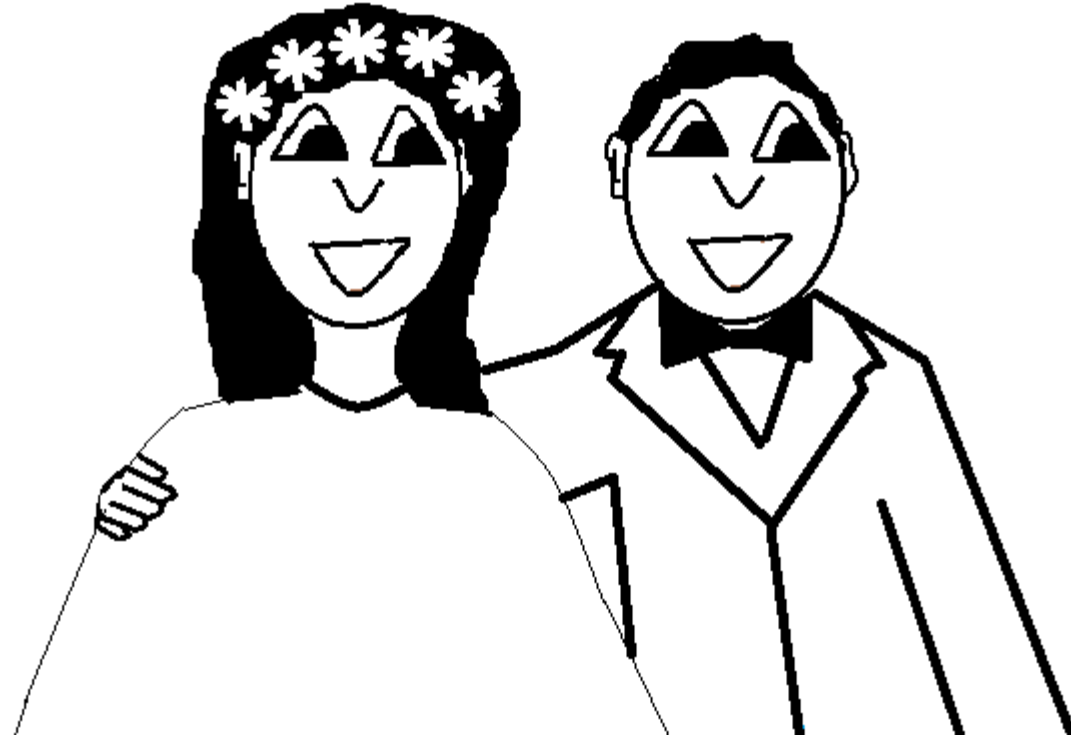

**“When 2 people make a baby
they become one flesh.”**

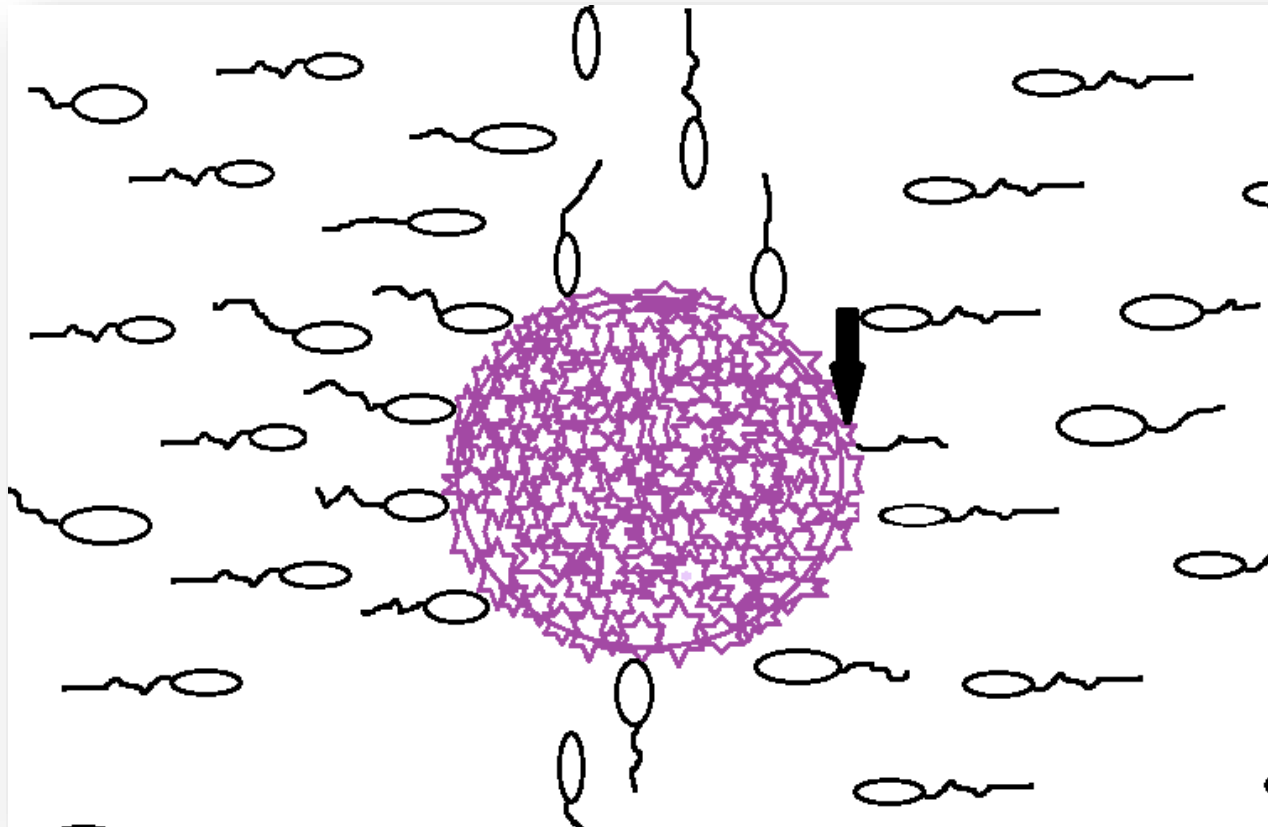

(Genesis 2: 24, Mark 10:8)

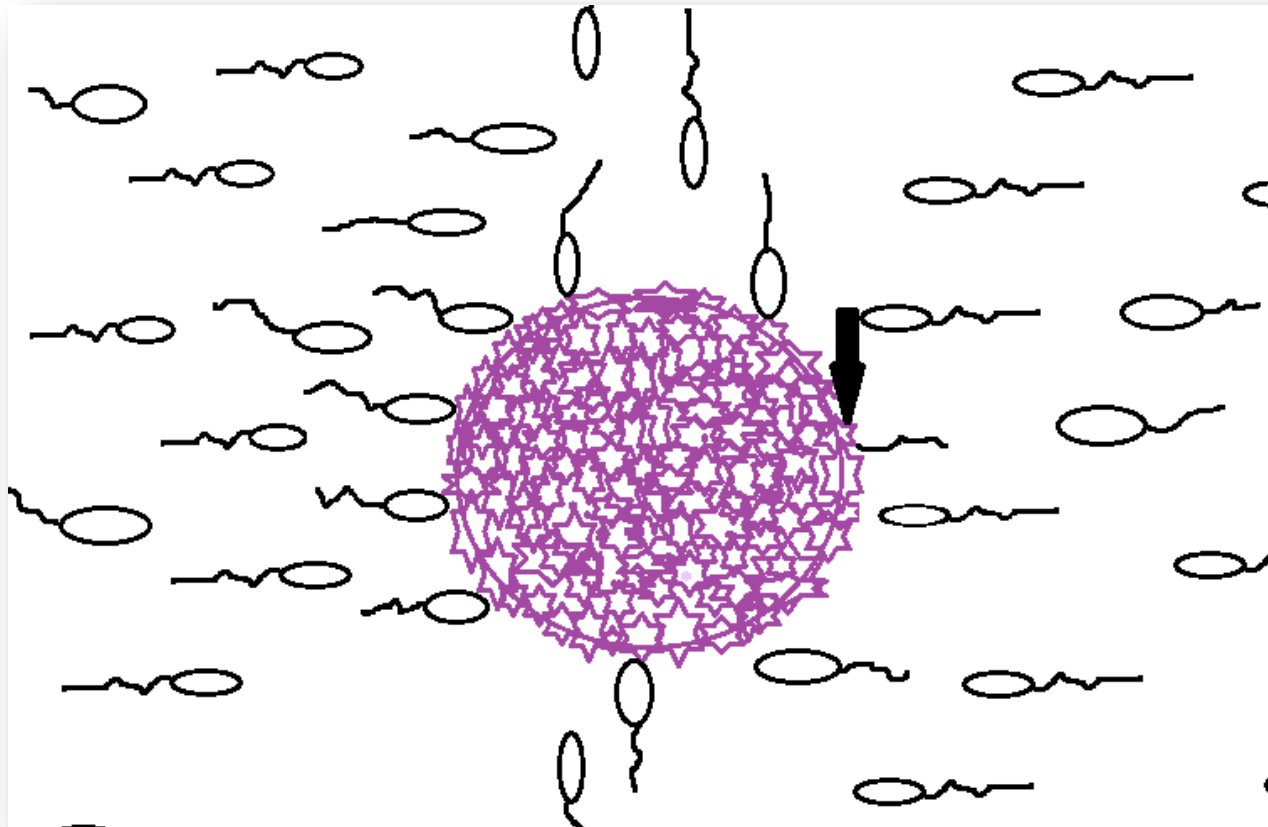

"WITHIN marriage it's a GODLY connection."

**"When your Mom joined with your Dad in
one flesh..."**

**the sperm of your Dad met the egg of your Mom
and only one could get through."**

**“The sperm got a friendly CONCEPTION
reception!”**

The egg changed to shut out all of the others.”

**“When that happened they ALSO MADE
flesh and that flesh was YOU.”**

"One sperm cell carries a father's DNA."

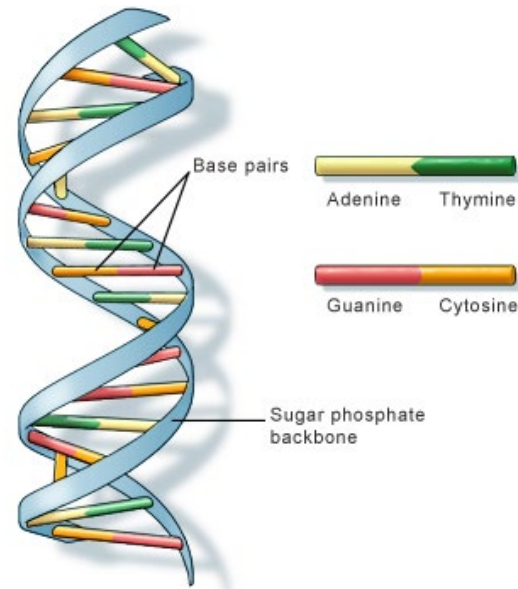

"One egg cell carries a mother's."

"Gender is determined by a Dad's DNA.

This is completed at conception."

U.S. National Library of Medicine

U.S. Library of Medicine

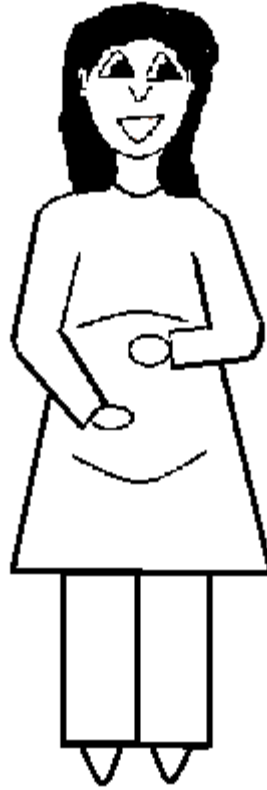

“DNA contains your genetic code that determines your hair and eye color, the color of your skin - the code that combines your Dad's and your Mother's to make you unique and different from all of the others.”

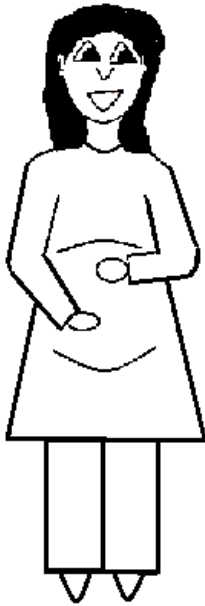

Right from YOUR beginning God said...

**"¹¹ For I know the thoughts that I think toward you, says the LORD, thoughts of peace and not of evil, to give you a future and a hope."
(Jeremiah 29:11 NKJV)**

"God DOESN'T set you on a downward slope."

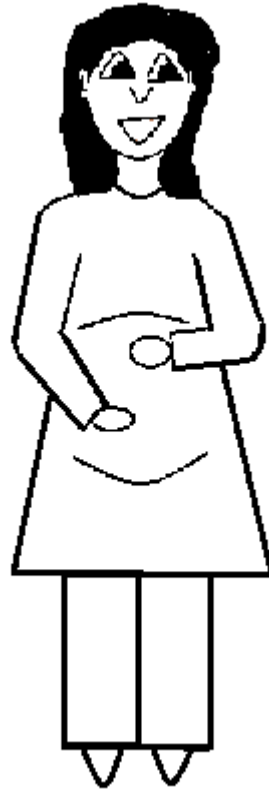

“God created babies to take about 9 months to grow inside a mother's tummy.”

**"Your Mom and Dad needed to give you good things...
a good diet, no harmful drugs, no alcohol too..."**

**nothing to do harm
or to hurt little you."**

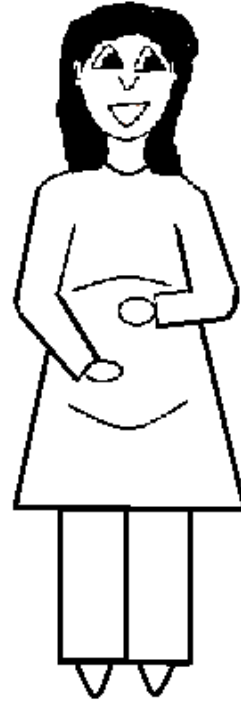

**“They BOTH needed to make sure your Mom
got good care
to make sure you were not harmed -
not one little hair.”**

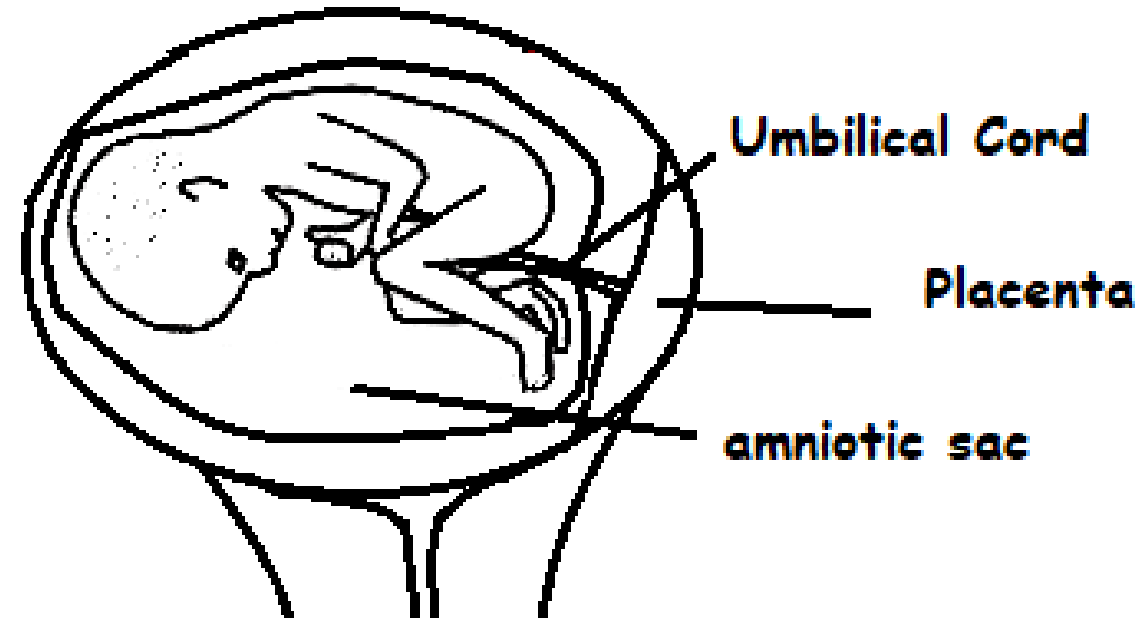

“Like every seed, your beginnings were not big.

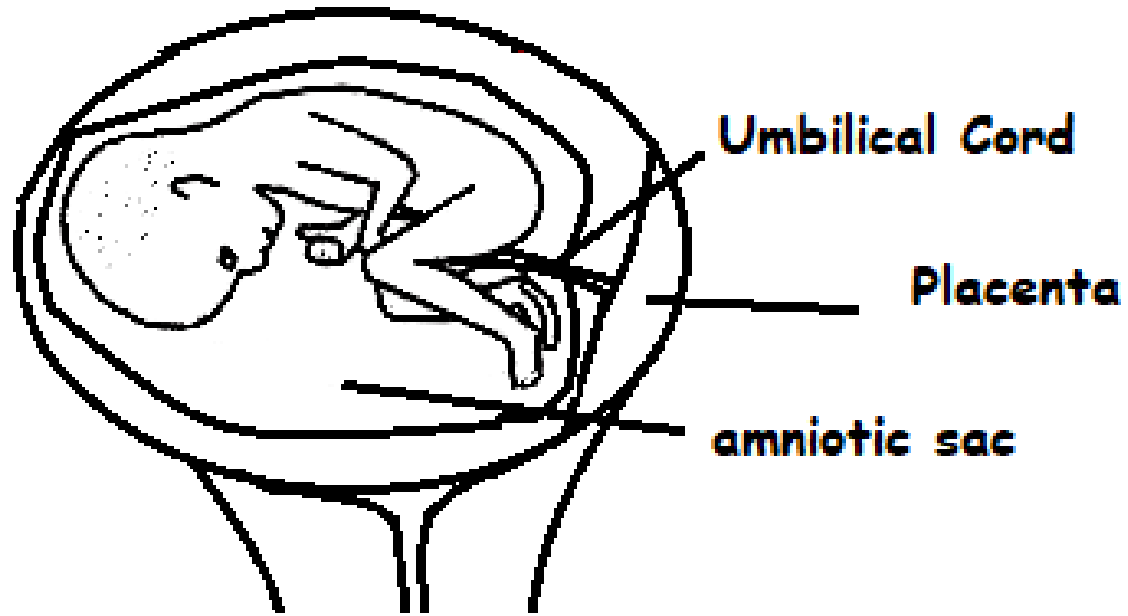

Your actual size at about 3 weeks at the start...

**...was about the same size as a very small seed
while YOUR Mom and Dad took care to do
THEIR part."**

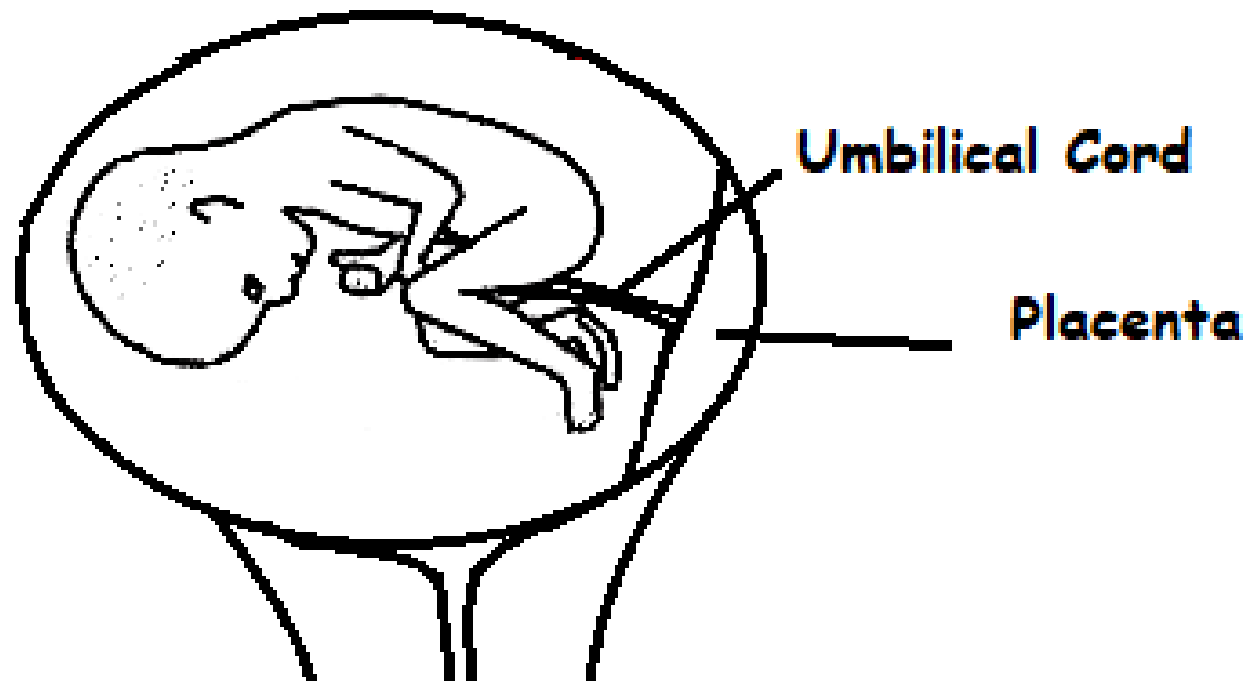

**“You as a baby, floated in a God created amniotic sac,
filled with amniotic fluid like a constant
bath.”**

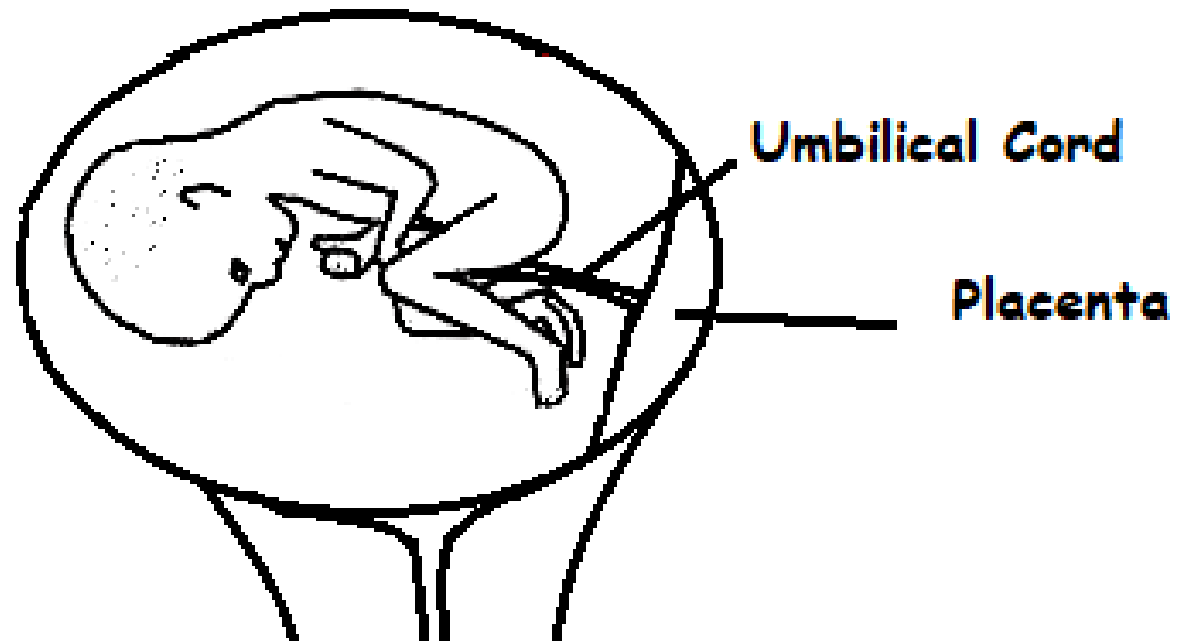

**“You needed to eat, pee, and
poop.**

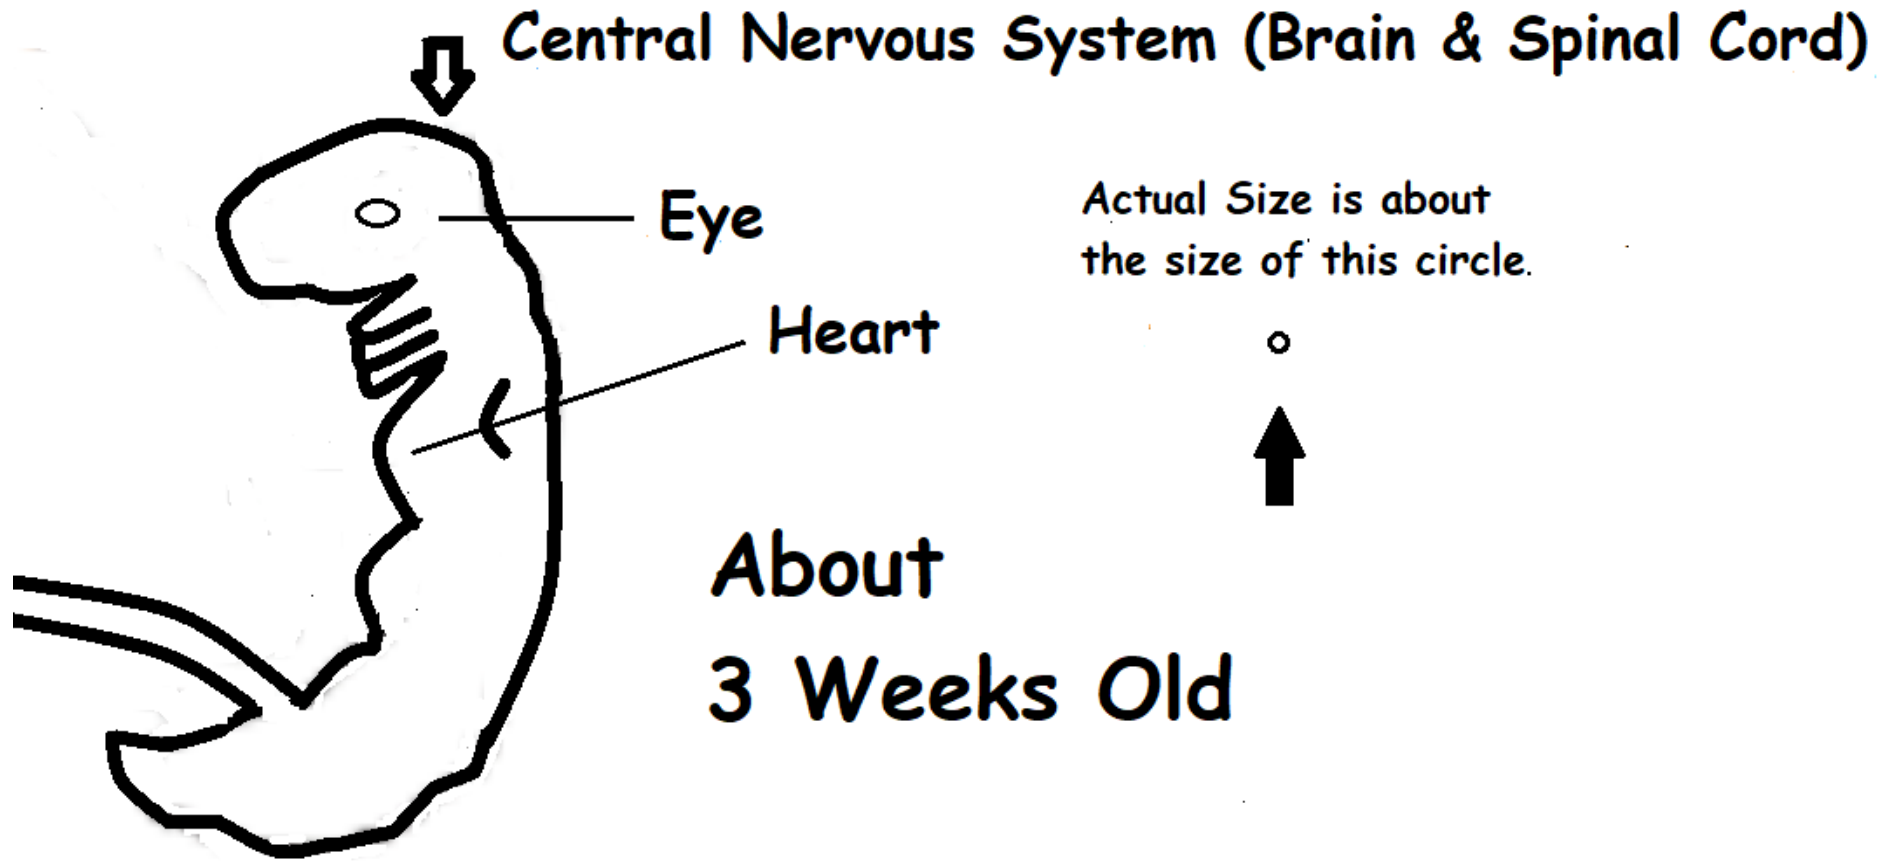

An umbilical cord made that path!”

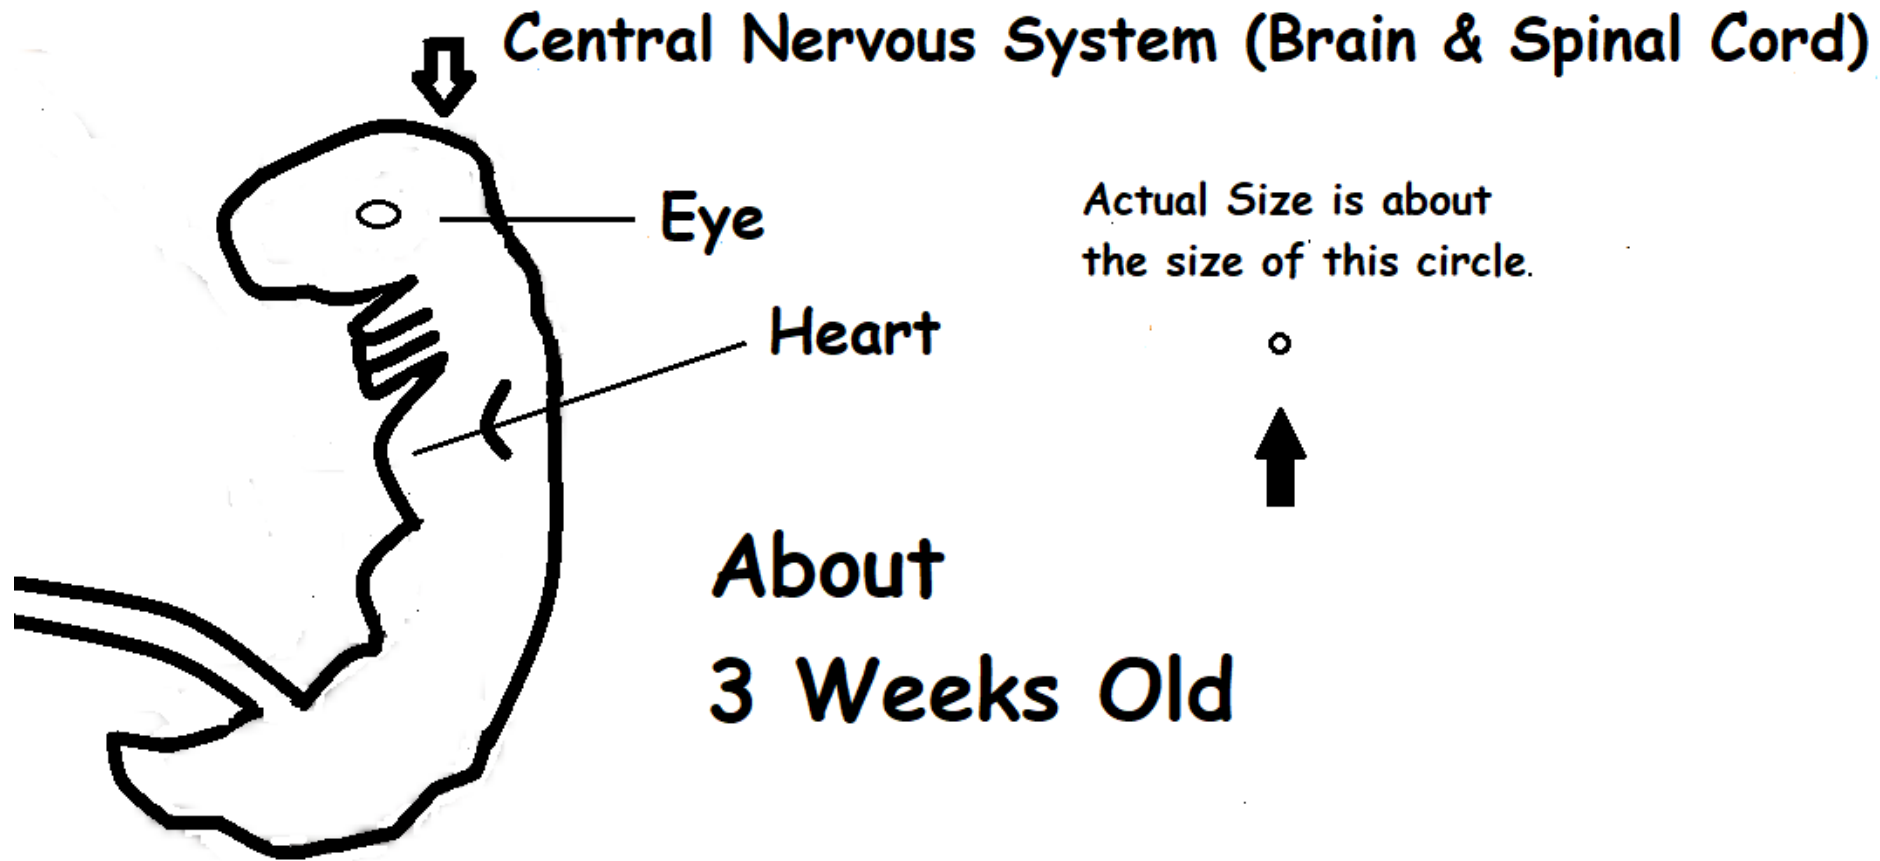

“God made a pie shaped organ - a Placenta that connected...
your Mom and YOU through veins and arteries...”

“...TO GET RID of waste and gases like CO₂,
TO GIVE oxygen, nutrition, hormones, and anti-bodies.”

“At about 18 - 22 days a baby's heart starts to beat.”

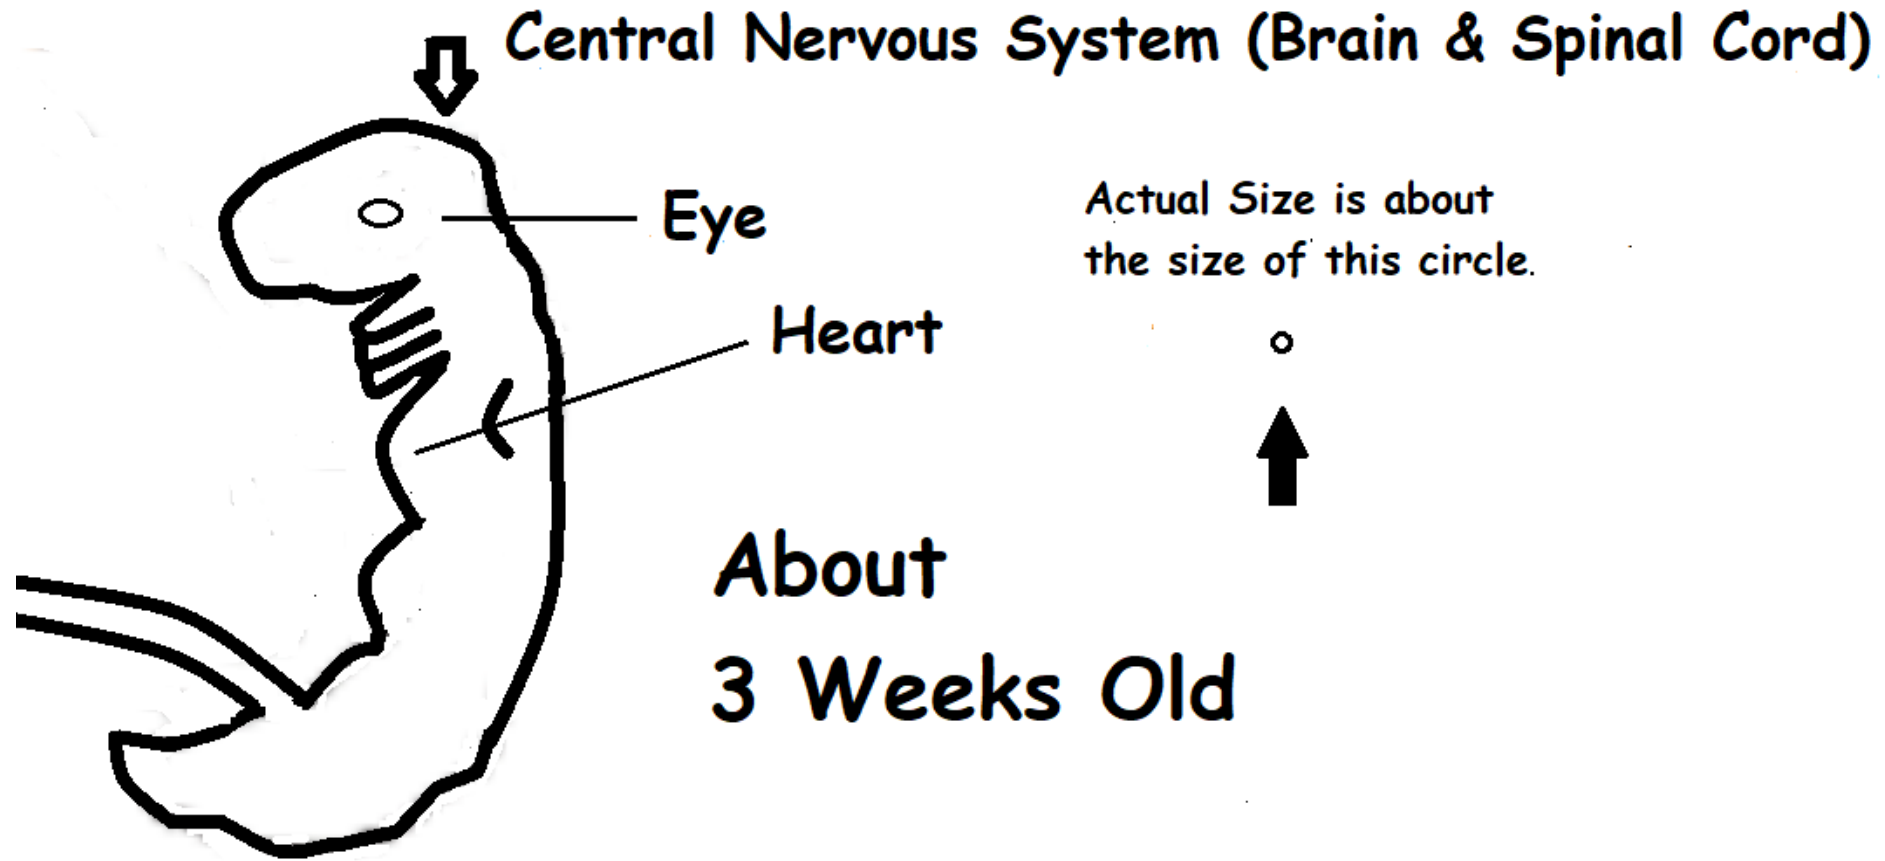

“The blood flows throughout the baby, back through the placenta, and to its mother.”

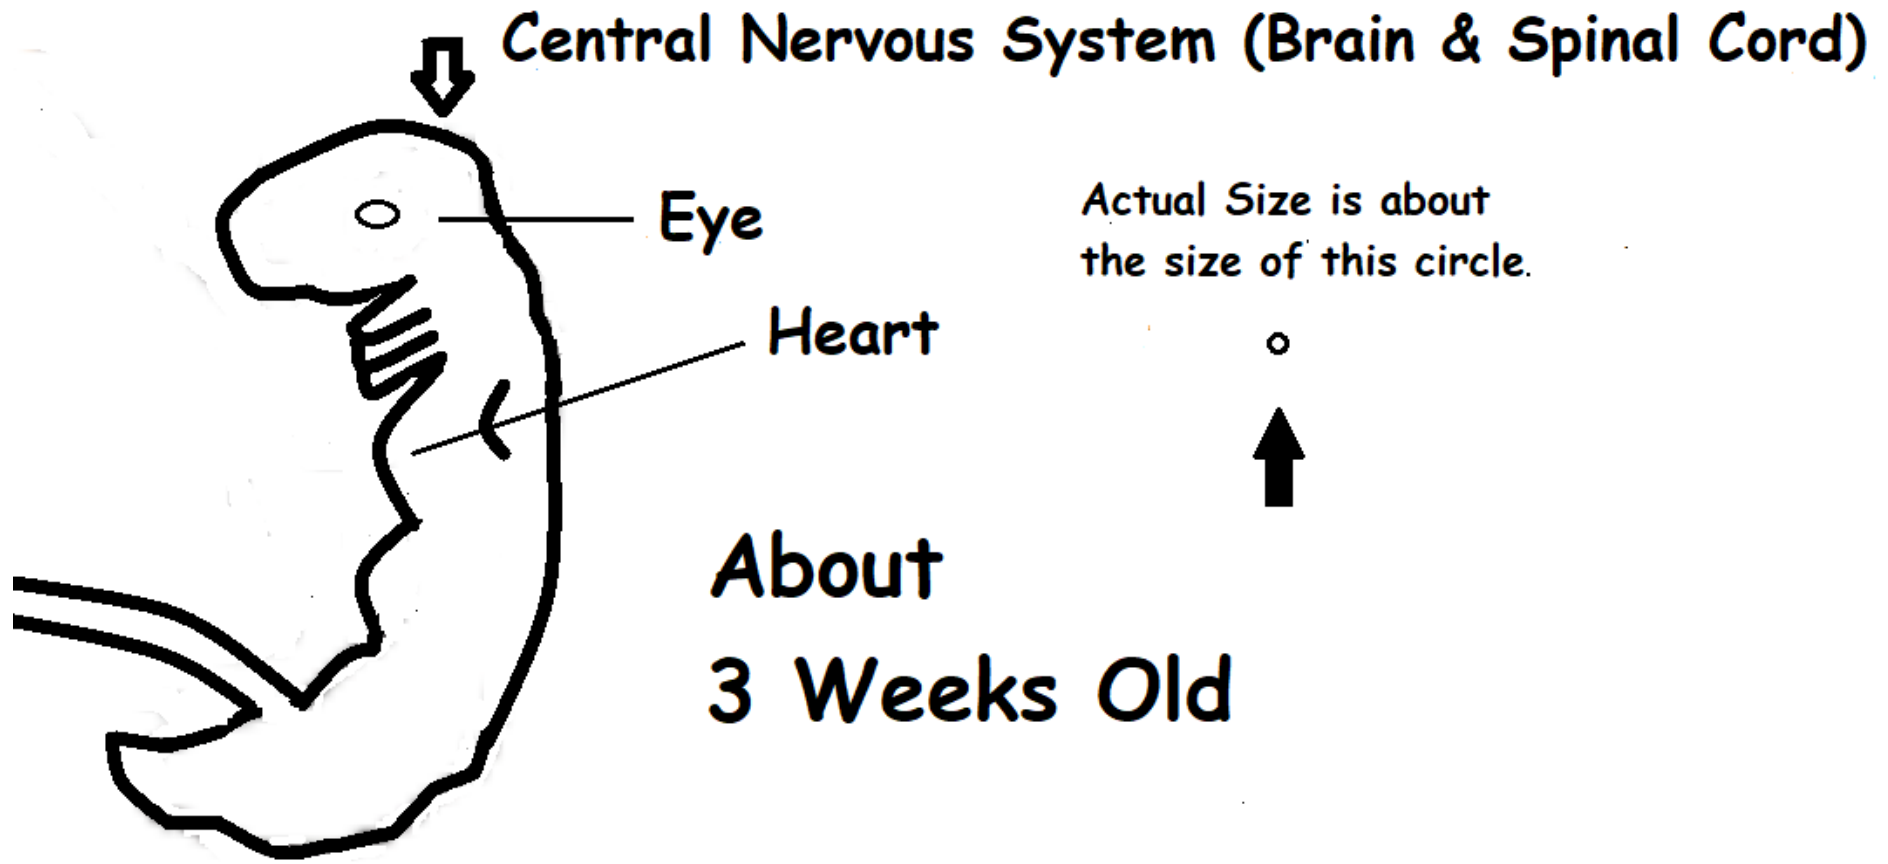

“The blood is cleansed of waste material through the mother’s system and then flows back through the placenta to the baby.”

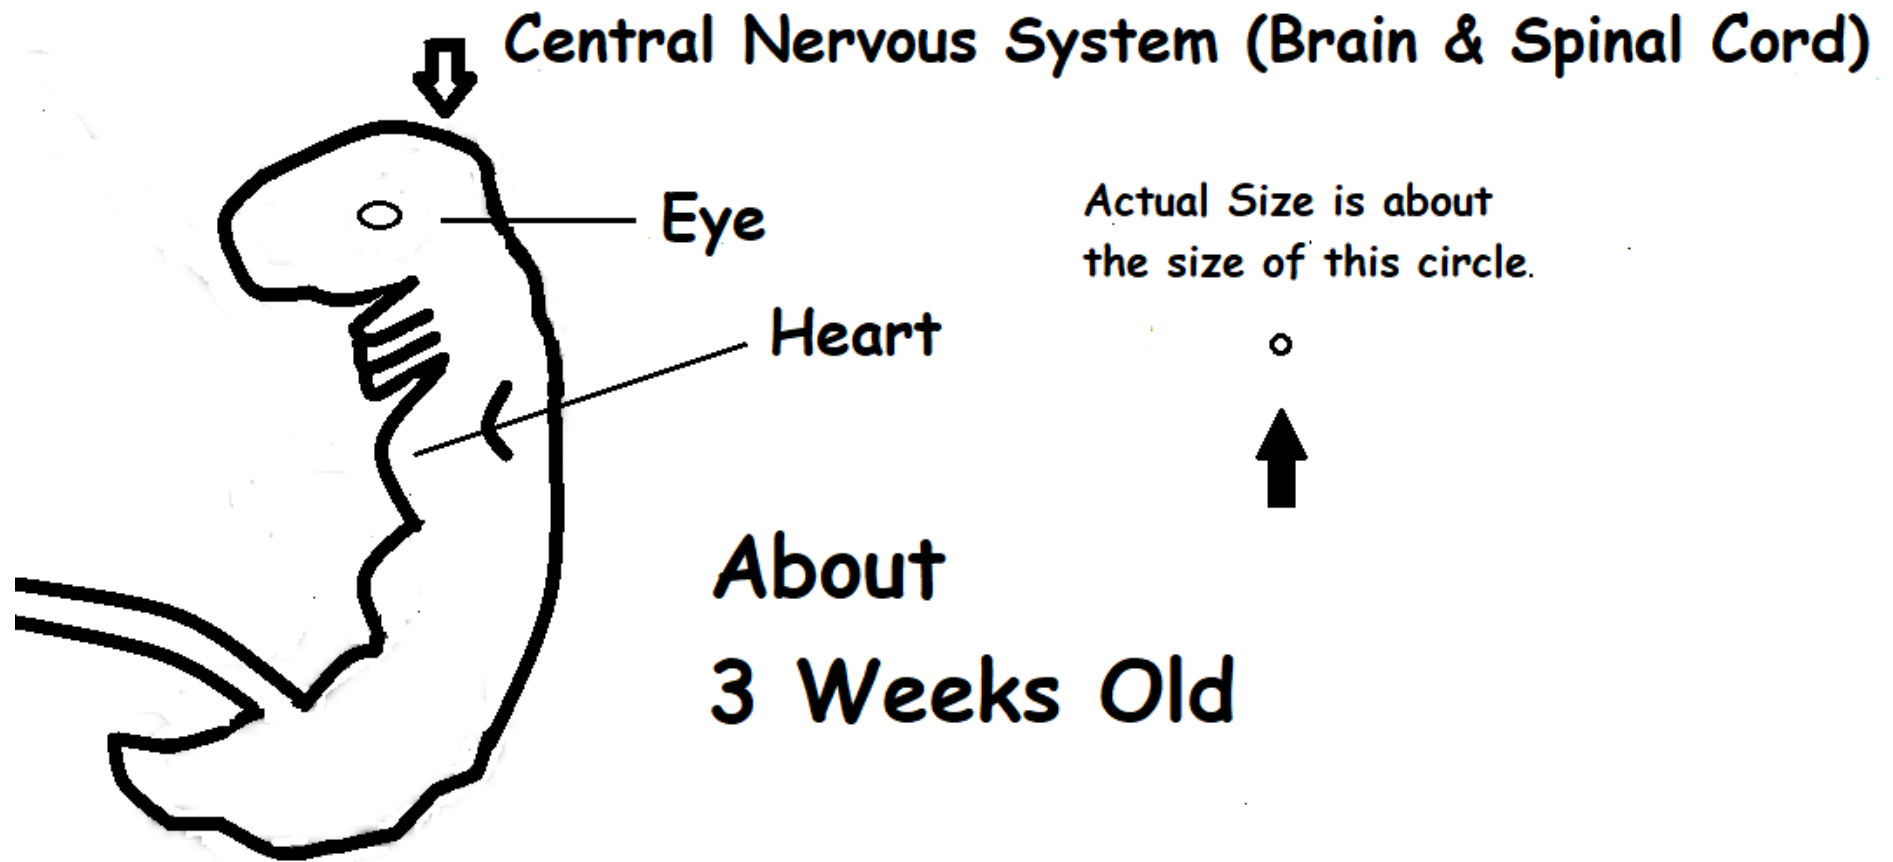

“This is why a mother must be careful of what she puts into her body, because chemicals can hurt the baby and I don’t mean maybe.”

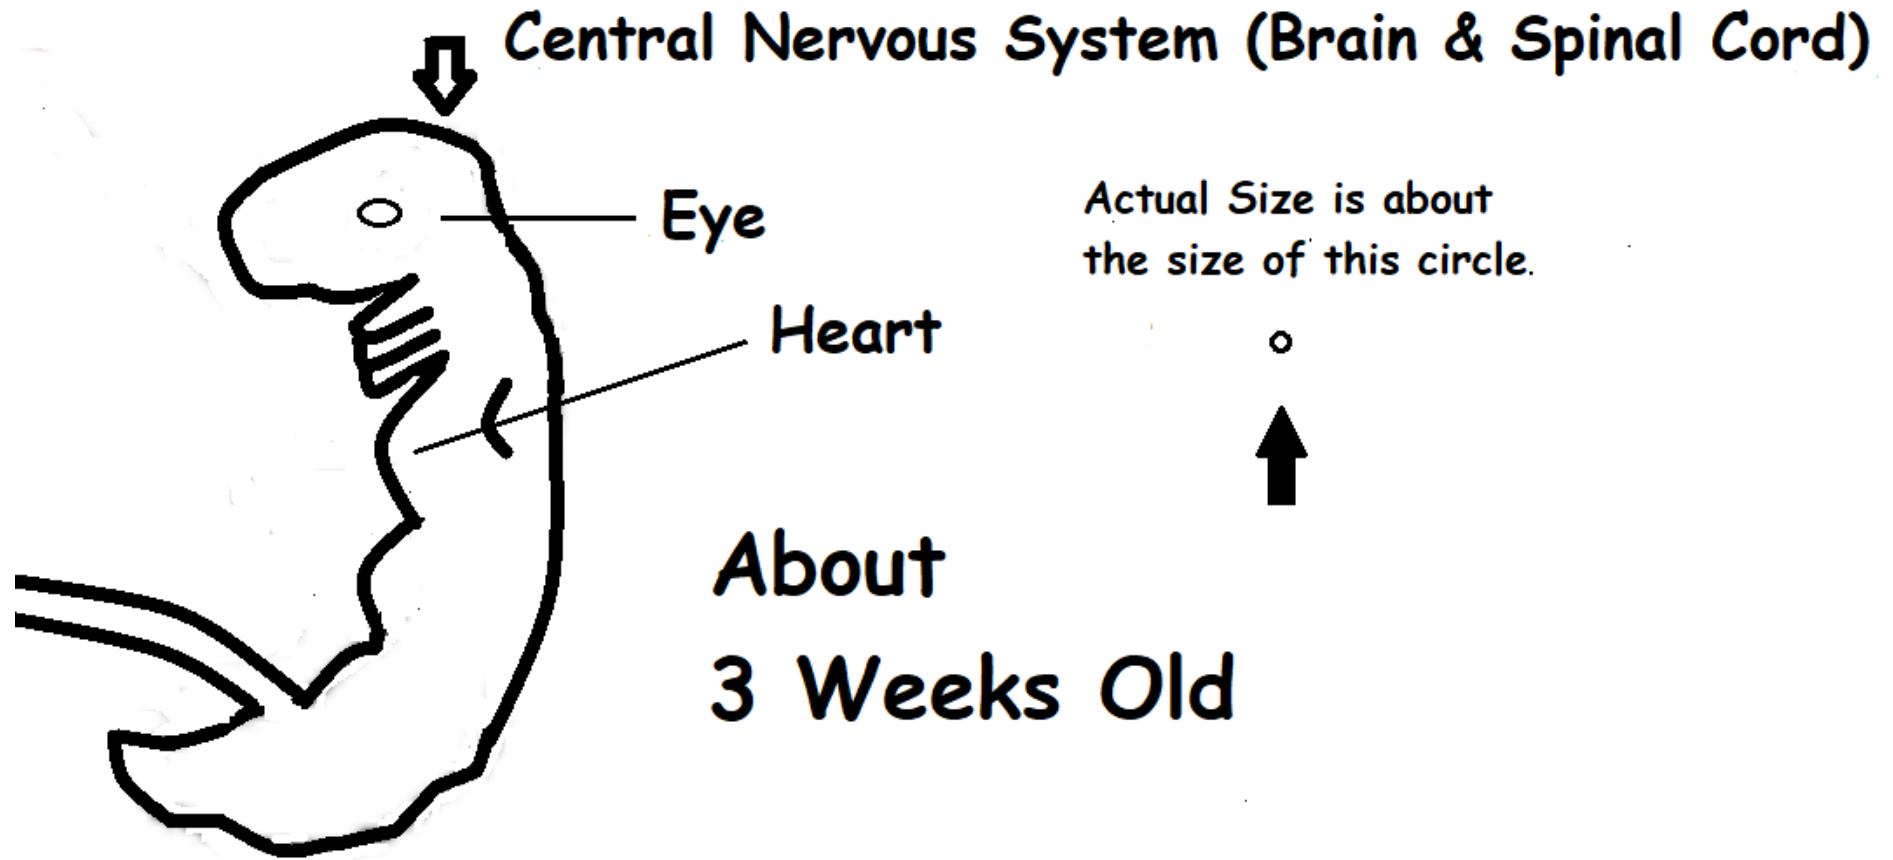

“At about 3 weeks old a baby is forming a brain, spinal cord, and nerves.”

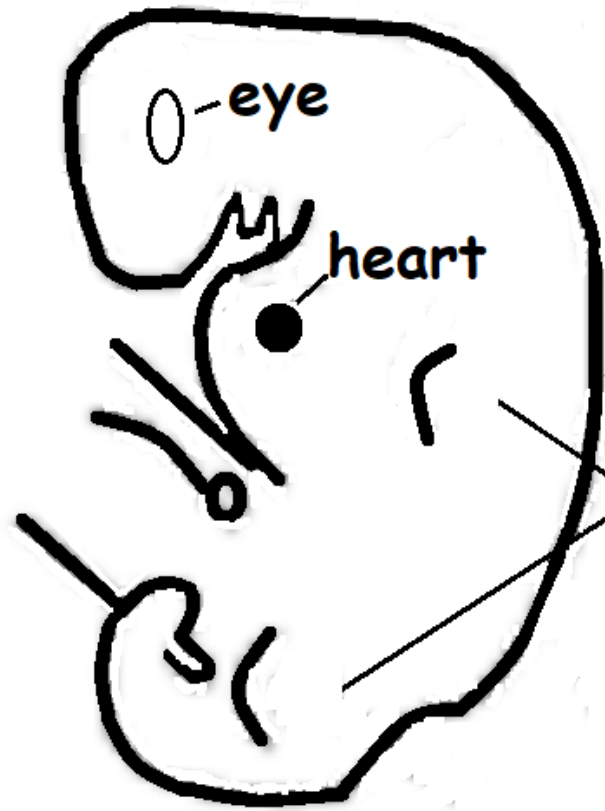

"It COULD feel pain the entire time just like any other."

"God in His infinite mercy...
makes sure the baby feels no pain while in HIS
hand."

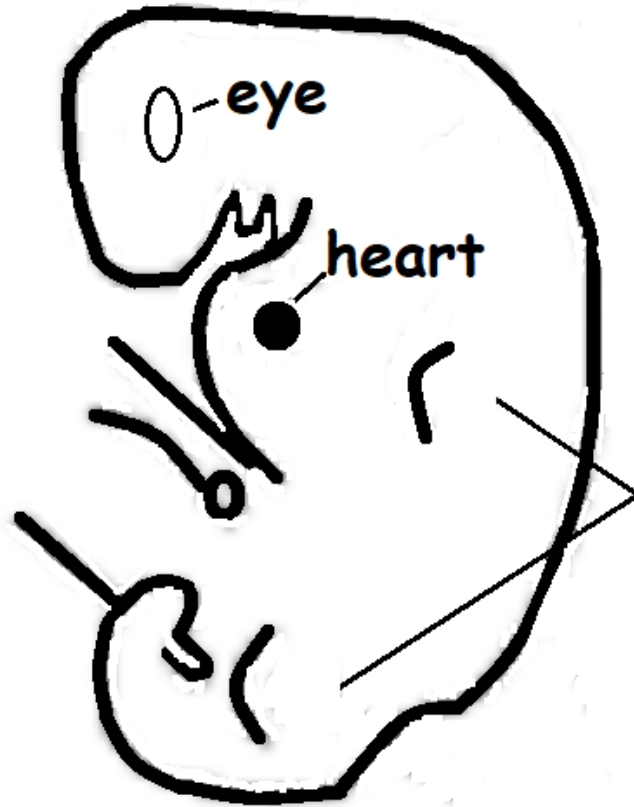

“God keeps the baby in a water safe haven,
until the baby's breathing on land.”

“By about weeks 25 - 26, a baby's heart rate increases at the sound of loud music and noises.

About Weeks 38 - 40

"This baby is ready to be born.
From its head down to its toes."

"Maybe, you're ADOPTED.
That means your BIRTH Mom and Dad
couldn't provide for you well.
They were oh, so sad.

So, they chose to give you as a gift...
to 2 deserving people who wanted a baby just like you.
Those 2 people were your ADOPTED Mom and Dad.
They love and cherish you too!

Whether you were adopted or are raised by your actual BIRTH Mom
and Dad...
it doesn't matter, you see.
As soon as your adopted Mom and Dad saw you...
YOU were THEIR miracle - AND became a part of THEIR family."

Let us pray.

Just say, Lord Jesus the Christ,
I've made so many mistakes I must confess.
I repent of them now and turn from them.
I no longer want that mess.

Lord Jesus, I believe you are the Son of God
and believe in your resurrection.
I want to be a child of God
and receive your love and affection.

Lord Jesus the Christ be my Savior.
Come into my heart.
Cleanse me now of all unrighteousness
and give me a brand-new start.

I ask for the baptism of the Holy Spirit
and the baptism by Holy fire too.
I WANT to be changed and to do the RIGHT things
I need help from you.

Please help me to follow you and do my best.
I want to start learning today.
I want my life to take a turn
and start in a whole new way.

Thank you, Lord Jesus, for helping me to learn.
I KNOW you can help make my ability,
greater than anyone ever imagined
and bring back my self-respect and dignity.

I ask this in the name of the Lord Jesus the Christ.

I say "Amen" and make it sure.

Now I'll start learning the RIGHT way.

I KNOW Lord Jesus; YOU are the door. AMEN!

**“Now get and read a Bible,
and be baptized by immersion.**

To your sins do not return.

You're on a new lifetime excursion!”

"Now YOU are washed clean and born again.

YOU must do your best.

To follow Christ's example for Christians

**In whom Father God, Lord Jesus Christ,
and the Holy Spirit rest."**
