I give ALL of the glory to my Father God, the Lord Jesus Christ, and the Holy Spirit for the collection of books which He has written and for the illustrations and lessons He has created - ALL of which would not have been possible without Him. He instructed me to put the copyright in my name and I have obeyed. Psalm 115:1

"¹ Not to us, LORD, not to us
but to your name be the glory,
because of your love and faithfulness." (NIV)

Since 1782, the American Bald Eagle has been the National Bird of the United States of America. The view of it soaring and gliding above the Earth is so appropriate to represent our freedoms that we have here and that we hold so dear. Its dark brown and deep gold plumage show up so beautifully against the blue sky as it catches a wind current. They watch from a high perch and then swoop down to catch their prey. This Eagle has caught a fish with its sharp talons.

God made it a majestic bird – it doesn't require any embellishment with its white feathered head and its sharp yellow-orange beak. As a predator, American Bald Eagles are at the top of the food chain. If they are young, sick, or injured they may become prey to other animals. Their only REAL enemies have been mankind, and the poisonous chemicals that mankind has produced.

American Bald Eagles love to eat fish like: carp, herring, salmon, and catfish.

They will also eat other birds like: ducks, anklets, coots, and others.

They eat mammals like: muskrats, jackrabbits, and more.

Sometimes even crabs, shellfish, turtles, snakes, and other land and sea creatures are on the menu.

When dead animals are available they will feed on those as well.

American Bald Eagles mate for life unless their partner dies. They build a strong large nest in trees about 180 feet high above the ground, on cliffs, and even on the ground on islands. The nests are built by both the male and female and are made of sticks and are lined with smaller materials. They may be added to and used year after year. Males and females mate at about 4 – 5 years of age. The female lays about 1 – 3 eggs.

Both parents take turns sitting on the nest. One keeps watch while the other searches for food. The incubation period for their eggs is about 34 – 36 days. For about the first 2 weeks after hatching - one parent always stays behind. Then, BOTH parents begin taking turns searching for prey, bringing it to the nest, and tearing the food, so that the eaglets can eat it. In this picture you can see one of the parents returning to the nest to feed the eaglets. After about 3 to 6 weeks, the eaglets can begin pecking at the food themselves.

You can see in the picture how one parent stayed behind to stand guard over the eaglets. Young American Bald Eagles acquire their feathers at approximately 10 to 12 weeks that will allow them to take their first flight. Young eagles have both dark colored beaks and feathers until they approach breeding age when they acquire their white heads and bright yellow-orange beaks at about 4 to 5 years of age.

The loyalty of one mate for another, the dedication they show in working together to build a strong, safe home, their attentiveness that they show to their young – to provide protection, care, and provision, the joint work ethic eaglets learn by watching their parents in and out of the nest regarding how to best survive - are ALL things that ALL mankind should emulate. They are FINE examples of why choosing the American Bald Eagle as a symbol of America was what GOD intended it to be, so that we could ALL soar like eagles!

Psalm 91: 1 - 4

- ¹ Whoever dwells in the shelter of the Most High
will rest in the shadow of the Almighty.^[a]
- ² I will say of the LORD, “He is my refuge and my fortress,
my God, in whom I trust.”
- ³ Surely he will save you
from the fowler’s snare
and from the deadly pestilence.
- ⁴ He will cover you with his feathers,
and under his wings you will find refuge;
his faithfulness will be your shield and rampart.” (NIV)

Psalm 91: 5 – 8

⁵ You will not fear the terror of night,
nor the arrow that flies by day,
⁶ nor the pestilence that stalks in the darkness,
nor the plague that destroys at midday.
⁷ A thousand may fall at your side,
ten thousand at your right hand,
but it will not come near you.
⁸ You will only observe with your eyes
and see the punishment of the wicked.” (NIV)

Psalm 91: 9 – 13

⁹ If you say, “The LORD is my refuge,”
and you make the Most High your dwelling,
¹⁰ no harm will overtake you,
no disaster will come near your tent.
¹¹ For he will command his angels concerning you
to guard you in all your ways;
¹² they will lift you up in their hands,
so that you will not strike your foot against a stone.
¹³ You will tread on the lion and the cobra;
you will trample the great lion and the serpent.” (NIV)

Psalm 91: 14 – 16

**“14 “Because he^[b] loves me,” says the LORD, “I will rescue him;
I will protect him, for he acknowledges my name.**

**15 He will call on me, and I will answer him;
I will be with him in trouble,
I will deliver him and honor him.**

**16 With long life I will satisfy him
and show him my salvation.” (NIV)**

If you need help with learning and reading God CAN help you.
Let us pray.

Just say, Lord Jesus the Christ,
I've made so many mistakes I must confess.
I repent of them now and turn from them.
I no longer want that mess.

Lord Jesus, I believe you are the Son of God
and believe in your resurrection.
I want to be a child of God
and receive your love and affection.

Lord Jesus the Christ, be my Savior.
Come into my heart.
Cleanse me now of all unrighteousness
and give me a brand-new start.

I ask for the baptism of the Holy Spirit
and the baptism by Holy fire too.
I WANT to be changed and to do the RIGHT things.
I need help from you.

Please help me to read, write, and do my math.
I want to start learning today.
I want my life to take a turn
and start in a whole new way.

Thank you Lord Jesus for helping me to learn.
I KNOW you can help make my ability,
greater than anyone ever imagined
and bring back my self-respect and dignity.

I ask this in the name of the Lord Jesus the Christ.
I say "Amen" and make it sure.
Now I'll start learning the RIGHT way.
I KNOW Lord Jesus, YOU are the door.

AMEN!

What should you do now as a new Christian?

You should also be baptized by immersion, meaning that you're dunked totally under the water, you are dunked and brought right back up, that's the way Christ was baptized.

He said we're supposed to follow HIS example and be baptized in the name of the Father, the Son - the Lord Jesus Christ, and the Holy Spirit.

He told us what to do.

So, be baptized by immersion and then ask the Lord where you should be going to church.

What is the church that He would like you to go to?
